

Supporting Local Manufacturers Forum

Tuesday, 8 September 2020 | Time: 10:00 am | Online Via Zoom Meeting

The forum organised by the Public Works Authority 'Ashghal' and Qatar Chamber, aims to introduce Ashghal's new projects and their current and future needed materials, encourage the effective participation of Qatari manufacturers in Ashghal projects, and encourage Qatari investors to invest in establishing new factories.

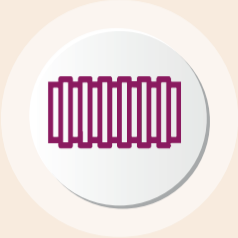

The invited forum attendees:

- Local factories involved in manufacturing materials related to the Buildings, Roads and Infrastructure projects
- Category: Owner/Founder of the factory and the General Manager/Chief Executive Officer
- Qatari Investors interested to support local products
